

Did You Know?

Sunday, November 6, 2011 Daylight Saving Time (DST)

On Sunday, November 6, 2011 at 2:00 a.m. clocks are turned back an hour, ending daylight saving time.

Double check any device you have that automatically adjusts its clock to DST - does it "know" the new rule?

ALSO REMEMBER TO:
CHANGE YOUR CLOCK; AND
CHANGE THE BATTERIES IN YOUR SMOKE DETECTORS!!!
